A Warm Welcome to Tsuri Academy

Where Learning Meets Purpose

Dear Parents and Families,

Welcome to Tsuri Academy!

Choosing a school for your child is the beginning of an exciting journey. It is where they begin to discover who they are, develop confidence, make friends and discover the joy of learning.

At **Tsuri Academy**, we believe these early years matter. **Grade 000** (3-4 years) and **Grade 00** (4-5 years) are a time to explore, wonder, play and build strong foundations for the years ahead.

We create a safe, nurturing environment where children are encouraged to explore, develop independence and grow through meaningful experiences, both indoors and outdoors. Every child is unique, and we are committed to helping each one flourish.

We believe **education works best when school and family work together**. By partnering with parents, we can give every child the encouragement and support they need to thrive.

We are excited to be on this educational adventure with you!

MORE THAN A SCHOOL. A COMMUNITY.

Tsuri Academy was founded on the belief that every child is born with a purpose.

We believe education should do more than impart knowledge. It should help children discover who they are, grow in confidence and learn to navigate the world around them.

Our approach is rooted in biblical principles, shaping how we teach, serve and grow together.

At **Tsuri,** every child is known, valued and supported to flourish.

"EDUCATION IS THE MOST POWERFUL WEAPON WHICH YOU CAN USE TO CHANGE THE WORLD"

WHAT MAKES TSURI DIFFERENT?

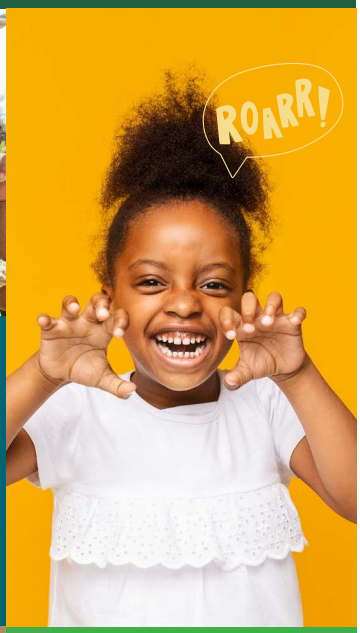

At **Tsuri Academy**, we see every child as an individual with their own personality, potential, interests and God-given purpose. Our role is to create an environment in which that potential can begin to emerge.
